Kanpur**

ORGANIZED BY

**Faculty of Agriculture
J.M.V. Ajitmal**

JANTA MAHAVIDYALAYA AJITMAL, AURAIYA

Email: jmvseminar@gmail.com

About the seminar

It is undeniable that resources are limited. Hence, it becomes crucial to understand how to manage resources effectively for sustainable development. The conservation of resources not only leads to a reduction in pollution but also contributes to a healthier ecosystem, a slower pace of climate change, fertile land, soil preservation, and the availability of water for irrigation. By conserving resources, we ensure a more sustainable and resilient environment for both present and future generations.

The upcoming seminar provides a platform for bright and young researchers, professors, postgraduate students and research scholars working in various fields of agriculture and science across the country to share their insights and knowledge regarding resource conservation and utilization in agricultural development.

Themes for the seminar

The seminar will encompass a wide array of disciplines. The organizing committee warmly invites abstract/poster submissions from researchers, academicians, and scientists focusing on, but not limited to, the following areas:

- *Natural Resource Management and Conservation*
- *Climate Change and Global Warming: Impact, Policies, Planning, and Management*
- *Soil and Water Conservation for Sustainable Development*
- *Organic Farming for Sustainable Development*
- *Hi-tech Horticulture, Innovations, Food Processing and Value Addition*
- *Integrated Nutrient, Weed, Disease and Pest Management*
- *Crop Improvement for Sustainable Agriculture*
- *Agricultural Marketing, Export, Entrepreneurship Development and Agribusiness Management Opportunities*
- *Advances in Dairy Science and Technology to Enhance Farmer Income, Innovation in Livestock and Dairy Management*
- *ICT, IPR, Smart Agriculture and Transfer of Technology (TOT) for Farmer Innovations*
- *Use of Agro-Chemicals in Crop Production and its Impact on Human Health*
- *Contribution of Rural Culture to Sustainable Development*
- *Self-Reliant Farmer, New Green Agricultural Technological Strategies and the Concept of a Prosperous India*
- *Conservation of Culture, Language and Heritage for Sustainable Development*
- *Significance of Remote Sensing and GIS in Modern Agriculture*

Guidelines for Paper/Poster Presentation:

Abstracts should be submitted online to: jmvseminar@gmail.com

Format:

Participants should submit the abstracts not exceeding 400 words. The abstract should be typed in English Times New Roman, 12pt, line spacing 1.0 or in Hindi (Kruti Dev-10, Font Size-12). The title of the paper should be bold and in capital letters with a font size of 14 followed by Name of author(s) (font size 12) along with their affiliation(s) (italic, font size 12) and the presenting author should be underlined. Keywords should be placed at bottom of the abstract (font size 10).

Poster Presentation: Size of the poster should be 75 cm × 1 meter.

Oral Presentation: Power point presentation should be finished within 10 mins.

Registration Link: <https://forms.gle/sdN267NjbXhE2gnh9>

Important Dates:

- Last date of abstract submission: **30th Jan. 2024**
- Intimation of acceptance of abstracts: **2nd Feb. 2024**
- Submission of full length papers: **8th Feb. 2024**

Registration :

Registration can be done by filling the registration Google form along with the required registration fee either by cheque / Cash/Online/ Bank DD should be issued in favour of "Seminar Resource Conservation".

Name of the account Holder	A/C No.	Bank Name & Branch	IFSC Code
Seminar Resource Conservation	5516554924	Central Bank Of India J.M.V. Ajitmal, Auraiya	CBIN0283293
Category	Registration Fee		
Faculty/Scientist	Rs. 1000/-		
Research Scholars	Rs. 800/-		
Students	Rs. 500/-		
Industries/Corporate	Rs. 2500/-		

Note: There will be an additional fee of Rs. 300 for the publication of the full-length paper in the Hardbound Proceedings with an ISBN Number."

- ❖ *Mr. VedPrakash Gupta, Gov. Degree Coll. Jakhani, Varanasi*
- ❖ *Mr. Kuldeep Singh, N.D. College, Shikohabad*

Our College:

The foundation stone of Janta Mahavidyalaya, Ajitmal, was laid in 1959 with a vision to address the educational challenges in the rural regions nestled amidst the Yamuna and Chambal rivers. The primary objective behind establishing this educational institution was to disseminate education across rural areas. The college offers various UG & PG courses across the Science, Arts, Agriculture, and Education faculties. The Science faculty was inaugurated in 1964. Janta Mahavidyalaya earned the distinction of being the first Postgraduate college in the Etawah district, introducing Postgraduate classes in Botany, Zoology, Agricultural Economics, Genetics and Plant Breeding, Physics, Chemistry, Geography, and English. With research facilities spanning three decades, the institution has been pivotal in fostering research in the fields of Sciences, Arts, and Agriculture.

About Ajitmal, Auraiya

Ajitmal town is situated along National Highway 19 (formerly NH2), approximately 40 km from Etawah and 120 km from Kanpur city. The town boasts excellent road connectivity to and from Etawah and Kanpur. During the seminar period, the weather in Ajitmal is expected to be pleasantly mild, necessitating light winter clothing for comfort. The nearest railway station to Ajitmal is Dibiyapur (Phaphund), GAIL, located on the Delhi-Kanpur train route.
